

A MESSAGE FROM BRIAN

Greetings EYC! I hope you have been making good use of your summer as it is more than half-way over. The school year approaches, aaaahhhh! Well, no worries. Take advantage of Summer EYC! **Starting July 25th, from 4-5:30pm, MS and HS EYC will meet together for food and fellowship every Sunday evening until August 22nd. Normal EYC will resume September 12th.**

Rock Climbing was another success! I enjoy this experience with you every time we go. I never realized just how many natural climbers we have in EYC. It was great to see you and connect with you again, I am also excited about our new friends who decided to join us! I look forward to the Winter when we make it back out there again. If you weren't able to climb with us this past trip, plan to be there for the next one, it's worth it!

Make sure to get ready for the annual cookout at Johnny Burns pond house! Bring your bathing suite, towel, change of clothes, and your family! This is going to be a big get together for all of EYC and your family, the Youth Advisors, and me - your friend and leader.

I am excited about seeing you again and hearing about all you've done this summer. I have recently had a son who is now one month old and Lizzie, I, and Juniper have just moved to Columbia - life for me has been busy and not that easy. It is important to remember that no matter what is or isn't going on in your life right now, stop and give God your best time. Many times it just means talking to Him, thinking about Him, and reading the Bible. He is always waiting to hear from you, and always wants to let you know how much you are His. See you soon! God bless,
