A Note from Pickett...

Good People,

Summer is here! I remember those good old days as a young child. School was over and I was free. I had big dreams. But after a few days the reality of summer set in. My mother sent us out of the house, locked the door, and we wandered the stifling heat, the red hot asphalt streets of our neighborhood. We would sit on the front steps, calling to the grown ups inside, "I am so bored!"

We have a negative association with being bored. Only boring people get bored, right?

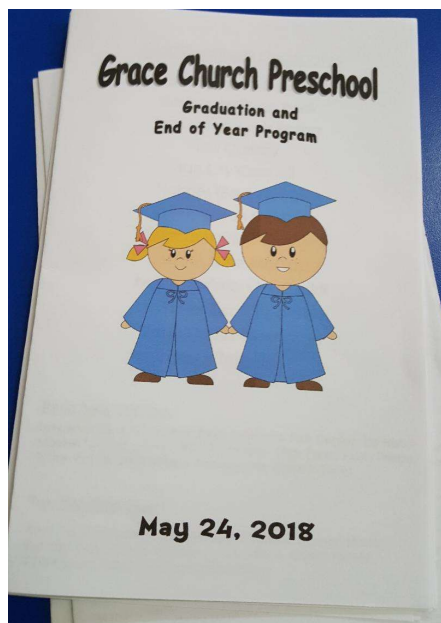

But maybe being bored isn't the worst thing. Check out this Ted Talk on boredom.

Now go out there and have a boring and life changing summer.

See you on Sunday,

The BFL Prayer

Loving God, through the waters of Baptism you draw us out of the captivity of sin and death into the freedom of new life in Christ, as a beloved community of disciples.

By the grace of this sacrament, empower us, we pray, to bear witness to your love in our lives, and to carry on Christ's work of healing and reconciliation in the world, rejoicing to know that we are marked as Christ's own forever.

We ask this in Jesus' name.

Amen.
