A Note from Pickett...

Good People,

These are just a few of the ways we can start to transform the community around us and help build the New Kershaw County! Please consider helping where you can and spreading God's grace in the world.

See you Sunday,

Pickett+

Jackson Elementary Mentoring

We will be beginning our mentoring program at Jackson Elementary this year. Only a half hour a week can make a huge difference in the life of a child. The volunteer schedule is very flexible and includes a variety of activities both academic and extracurricular. Email Father Pickett if you have any questions or are interested in volunteering this year.

Community Medical Clinic

The greatest crisis in America today is access to healthcare. CMC is crucial to this community. Without their hard work many families would have nowhere to turn when illness strikes. They have a wealth of volunteer opportunities and are always in need of new volunteers. If you have questions about volunteering for the Community Medical Clinic please contact their volunteer line at (803) 900-1647.

Food For the Soul

We volunteer to help serve and prepare lunch at Food For the Soul the last Thursday of every month. For many in our community this is the only healthy meal they will receive that day. Food for the Soul is a simple way to begin helping the homeless and hungry in Kershaw County. Contact Tracey in the church office if you would like to be added to the volunteer rotation.

Heart Felt Home Ministries

A wonderful group of Grace Church members has kept this ministry alive and thriving. They take and fulfill community requests for home repairs all over Kershaw County. Are you handy? Join them. Do you wish you were handy? Maybe George Lane and the boys will teach you a thing or two while you

help out those most in need. Contact George Lane if you are interested in helping out with Heart Felt Home Repairs.

The family Resource Center

The Family Resource Center is in need of volunteers to serve as victim advocates. So many people that suffer from abuse have no family or friends that they can turn to. Without help they must face the challenges ahead all alone. If you have a big heart and want to help face the brokenness of this world head on, please consider volunteering at The Family Resource Center. Contact Ellen Baker at (803)425-4357.
