The Graham Butler Nixon Community Scholarship

All high school seniors that live in Kershaw County and will be attending a university, college, or trade school in the fall are eligible to apply. Applicants must complete an application form and an essay that answers the following question (800 to 1000 words).

God calls each of us to find our prophetic voices. As people of God, we must stand for what is right and truthful and challenge what is wrong and broken in our society. As you find success in your own life, how will you continue to use your own prophetic voice and be an instrument of change in your community?

These essays will be submitted to me anonymously for my review. Awardees will be selected on the quality and content of their writing.

Students that are eligible for both scholarships may apply for each separately.
